OBJECTIVES

Motivated and detail-oriented BS Information Technology graduate seeking a Virtual Assistant position. I am eager to apply my organizational, communication, and computer skills while continuously learning and contributing to clients' success.

EXPERIENCE

On-the-Job Training Intern | Local Government Unit of Boljoon

Feb – May 2026

- Provided basic IT support by assisting with hardware, software, printing, scanning, and other office technical issues.
- Performed troubleshooting for desktop and laptop problems, including connectivity and system-related concerns under supervision.
- Assisted in encoding, organizing, and maintaining digital and physical records for accurate data management and documentation.
- Supported office staff in using computer systems and applications while helping maintain organized and efficient workflow operations.

Sangguniang Kabataan Secretary | Mandilikit Argao

2023 - Present

- Documenting minutes of meetings, resolutions, and other official SK documents.
- Maintaining and organizing records, reports, and files for easy access and reference.
- Assisted in planning and executing community outreach programs, youth activities, and local events organized by the SK.

Part-Time Service Crew / Barista | South Cafe Argao

2024 - 2026

- Provided excellent customer service by taking orders, preparing beverages, and ensuring customer satisfaction.
- Managed inventory, restocked supplies, and maintained cleanliness to uphold health and safety standards.
- Handled cash transactions accurately and efficiently, demonstrating strong numerical skills and attention to detail.
